

GARDEN PLANTING PARTY

SATURDAY, APRIL 24, 2021, 10:00 AM

We would like to invite you to join in the fun and help us plant new flowers in the Garden. Below is a list of various tasks that we will be performing.

Yellow Rose	Transplant to planter
Mahonia	Transplant to rear center bed
Tulips	Remove from center beds
Center Beds	Spade, incorporate compost, rake smooth
Canna Lilies	Plant in center of center beds
Dahlia	Plant on border of center beds
Lupinus Polyphyllus	Plant in three circular beds
Liatris Mixture	Plant in three circular beds

The work is substantial, but necessary to keep this green space beautiful for all to enjoy! Please remember to wear a mask and maintain a safe social distance.

Refreshments will be available.

Any questions, please let me know.
