

GARDEN FALL CLEAN-UP

SATURDAY, November 13, 2021, 10:00 AM

Just a quick word to bring to your attention the Fall Garden Clean-up is scheduled for 10:00 AM, Saturday, November 13, 2021. We only have two tasks on the list, but both jobs are important, namely:

Virginia Creeper - remove from adjoining houses; bundle for disposal

Tulips - plant bulbs in two center beds

The Virginia Creeper is an annual task, so we know what it will take to get the job done. The Tulips, on the other hand, will be a challenge, as we have a whole lot of bulbs to plant. But planting them this Fall should give us an absolutely amazing display in the Spring. So, the more hands the merrier. I sincerely hope there is a strong turn-out.

Any questions, please let me know.
